

Friday - 24 November 1950

25X1C

25X1A

1.

[REDACTED] OSI, accompanied me to a meeting with [REDACTED] California, held in the office of Congressman Jackson of Calif. Mr. Schnabel described the findings of his client, Mr. Joel Prescott, which he considered as a possibility for fuel development. This is to be assessed by OSI and the members of the U. S. Navy who were also present at the meeting.
